Purpose: Over the course of 2012, BHIP has contributed to the development of the operational, legal and technical framework for behavioral health providers to participate in the Illinois Health Information Exchange (ILHIE). The Second Statewide Meeting will:

- Discuss proposed statutory changes and the opt-out consent management model of ILHIE;
- Showcase the demonstration projects; and,
- Introduce the new technology and legal documents for the exchange of behavioral health clinical information.

Learn more about BHIP here: <http://www2.illinois.gov/gov/HIE/Pages/BHIP.aspx>

Attendance: Behavioral health agencies are encouraged to attend this meeting to learn about the progress of health information exchange in Illinois. We encourage the attendance of at least two of the following individuals from your agency: CEO/executive director; chief information officer/administrative director; clinical/program director.

RSVP: Please register for the meeting by [clicking here](#) and completing the registration form. Registrations must be received by Friday, October 26th.
